Blackford Highland Games

Saturday 27th May 2023

TRAIL RACE 2023

A stronger turn out for the second Blackford Highland Highland Games trail race. 18 runners lapped the games field then headed out to explore the trails. The race, 9 and a quarter km, was enjoyed by all who ran. 18 runners returned safely with all attending the prize giving where nobody left empty handed.

A closer fought battle this year resulted in a course record for James McGurk of Lochtayside. He crossed the finish line in a time of 37.48, shaving 47 seconds of the previous time with Oleg Chepelin of HBT a close second with a time of 38.02. Last years winner, Scott Henderson of Westerlands followed in third position with a time quicker than his record last year by 9 seconds.

First lady over the line was Lisa Blackley, a local runner who no doubt used her local knowledge to gain an advantage in a time of 48.13. Taking second place was Monica Thomson of Strathearn Harriers in 51.02 and third was another local lass, Jane Roy who swept across the finish line in just over the hour, 1.02.52.

The race attracted an age range from mid 20's to mid 60's, but most impressive was Ned Phillips, a resident in Singapore who completed the race in his checked shirt with a time just under 50 minutes!

Well done all and roll on next year!
